

# QUICK-CHANGE HYDRAULIC FIXTURING

**Mod  
ILOC™**

*Low Volume Producers • Hydraulics Users*

Now...SpeedLoc™ innovation and VekTek technology combine to deliver the benefits of Quick Change, Lean Manufacturing with Hydraulics.

## Advantages to you...

- HYDRAULIC OPTIMIZED TOOLING COLUMNS
- Change your hydraulic fixture in under 3 min.
- Repeatability of  $\pm .0004$ " or better
- Built on standard platform so you can run both hydraulic & mechanically fixtured parts on the same tooling column.

**mPower™**  
PRODUCTS BY MODERN INDUSTRIES

*Workholding innovations that build productivity and profitability.*
